

Glider Flying Handbook
FAA-H-8083-13
ADDENDUM
December 1, 2003

The Airman Testing Standards Branch (AFS-630) is responsible for the development and publication of the Glider Flying Handbook. We would like to apologize for the following pen and ink changes that need to be made to this handbook. We will revise the basic document in January 2004 and have it available to the public on the afs600.faa.gov web site. Any comments or suggestions to any FAA handbook published by AFS-630 can be sent to afs630comments@faa.gov.
